2nd April 1953]

MR. SPEAKER :—" I have already called the Hon. the Chief Minister. The hon. Member must resume his seat."

* THE HON. SRI C. RAJAGOPALACHARI :—" Mr. Speaker, Sir, I beg to lay on the table of the House a copy of the statement made by the Prime Minister in the House of the People on the 25th March 1953 in regard to the establishment of the Andhra State. All that is necessary to be done in terms of the statement for the speedy execution of the decision will be done by this Government with as much expedition as possible. I place Mr. Wanchoo's Report also on the table. Copies of both the documents will be made available to hon. Members. Let me reiterate as my own hope and desire what the Prime Minister has expressed in the concluding part of his statement. A time will come when the mists that have gathered will clear away and both the new Andhra State and the State of Madras will, in their separated existence develop new and increased bonds of union and not only find help and strength in one another but together be a source of fresh strength to the Union of India."

SRI PILLALAMARRI VENKATESWARLU :—" Now that the Hon. Chief Minister has made a statement, I think the Members have got an opportunity to discuss that matter." 9-30 a.m.

MR. SPEAKER :—" The hon. Member may consult the Leader of the House. I have no objection to allot time provided they come to a decision in that regard."

* SRI T. NAGI REDDI :—" Will the Hon. the Chief Minister give us an idea as to what steps are being taken now by the Government? "

MR. SPEAKER :—" If I allow one question, many questions will follow. So I do not allow questions."

SRI PILLALAMARRI VENKATESWARLU :—" As soon as a statement is made by the Hon. Chief Minister, the Members of this House have got a right to discuss that matter."

MR. SPEAKER :—" There is no motion before the House. Unless the Hon. Minister moves a motion that the statement be taken into consideration, Members have no right to discuss it. The Hon. Minister has not moved any such motion. Now, if the House wants a debate on this matter, it is better if the leaders come to a decision regarding the date and time."

SRI C. V. K. RAO :—" I would like to know the purpose of the statement, Sir."
